

NMDA GELDING INCENTIVE PROGRAM APPLICATION

• The Gelding Incentive Program is primarily intended for those who need assistance with veterinary expenses. NMDA asks for your cooperation so that the funds will be available for jacks that might not otherwise be gelded.

NMDA Gelding Incentive Program Requirements

- NMDA member – owner must be a current member
- Veterinary Statement of Castration – provided by NMDA
- Veterinarian original billing statement - owners are required to include a copy of the veterinarian's original billing statement.
- Registration Certificate – owner is required to provide a copy of updated Registration Certificate showing the status change from jack to gelding.
- Each farm will be limited to one rebate each year. If there are still funds available farms may apply for a second \$50. rebate.
